WORK EXPERIENCE

[10/10/2022 – Current]

ICT Teacher

Constantin Brancusi High School

City: Saint George

Country: Romania

As a ICT teacher, I have brought solid knowledge and practical experience in the field of web development and programming.

I have guided students in acquiring the necessary technical skills and understanding key concepts in web development.

[06/2022 – 10/2022]

CNC Operator

Stabilus Romania

City: Brasov

Country: Romania

As a CNC operator, I have excelled in controlling and operating computerized numeric control machines.

My expertise in programming and machine setup has enabled me to accurately produce complex components according to specifications.

EDUCATION AND TRAINING

[10/2021 – 06/2022]

Engineer

UNITBV unitbv.ro

Address: Brasov, Romania

Field(s) of study: Engineering, manufacturing and construction: *Electronics and automation*

As a student in the iETTI program at the university, I have been exposed to interdisciplinary and technology-driven education. I have gained profound knowledge in the field of Information Technology.

Through active participation in projects and laboratories, I have developed practical skills in designing and implementing innovative technological solutions.
